

MULTI-AGENCY WORKING POLICY

River Pre-school Playgroup understands the benefits of and is committed to Multi-agency Working. We work closely with our local Sure Start Centre and encourage our parents to become members. We ensure that we have close links with agencies and professionals, such as Health Visitors, Speech Therapists, Special Education Needs Co-ordinators, Physiotherapists etc and we call on them for advice and support when necessary. Our policy is to continue to build on these links, in particular to support the children who attend River Pre-school Playgroup.

This policy was adopted at a meeting of River Pre-school Playgroup, held on:

_____ (date)

Signed by the chairperson on behalf of the pre-school

Justin Simpson
